### **For attention of Mr. Token Winter.**

Dear Mr. Winter,

I am referring to the memorandum ( Notat) dated Jan 5<sup>th</sup> 2015 titled : “”Strategi for risikohåndtering af styrene”” ( Risk management strategy for styrene) (attached) for which the public consultation is open till Feb 6<sup>th</sup> 2015.

The memorandum/notat refers to the LOUS project, which includes a Survey of Styrene ( Final report May 28<sup>th</sup> 2014 , Consultation draft ) (attached). From a recent conversation with Mrs.Helle Fabiansen, we understood that you were not aware of comments submitted on August 22<sup>nd</sup> 2014 by Science Group of Styrenics Steering Committee in Plastics Europe on the Survey of Styrene.

We therefore would like to take the opportunity to re-submit these comments on the Survey of Styrene and within the framework of the current public consultation of the “”Strategi for risikohåndtering af styrene.”” Please refer to enclosed item 7B.

**Identification :** Comments are submitted by the Science Group of Styrenics Steering Committee which is part of PlasticsEurope AISBL based in Brussels.
