**Additional fees**  
**Opkrævning af tillægsgebyrer**

**Fee A:** Additional fee for assessment of residue levels/MRL of active substances in plant protection products. Applicable for plant protection products used on edible crops or fodder. Fee per active substance (FVST/DTU)

**Gebyr A:** Tillægsgebyr for vurdering af restkoncentrationer i fødevarer og foderudført af Fødevarestyrelsen/DTU. Gebyret opkræves for vurdering af restkoncentrationer (MRL) af aktivstoffet i plantebeskyttelsesmidler, der bruges på spiselige afgrøder og foder. Gebyr for hvert aktivstof

*Note 1:* If FVST finds no need to evaluate residues, or if the application is rejected during validation, a fee of only DKK 3.200 will be charged.

*Note 1:* Hvis FVST konstaterer, at der ikke skal vurderes restkoncentrationer, eller hvis ansøgningen afvises ved valideringen, nedsættes gebyret til 3.200 kr.

**Fee B:** Additional fee for assessment of efficacy, phytotoxicity and selectivity. Applicable for all applications for product authorisation (AGRO)

**Gebyr B:** Tillægsgebyr for vurdering af plantebeskyttelsesmidlets effektivitet, phytotoksicitet og selektivitet, udført af Aarhus Universitet, Institut for Agroøkologi (AGRO).

**Fee C:** Additional fee for assessment of a new active substance or microorganism in Denmark or renewal of an active substance or microorganism. Applicable for all plant protection products containing a new active substance or an active substance to be renewed. Fee per active substance in the product.

**Gebyr C:** Tillægsgebyr for første vurdering af nyt aktivstof (eller ny mikroorganisme) eller første fornyelse af et aktivstof i Danmark. Gebyr for hvert aktivstof.

*Note 2:* For application of the first plant protection product with the concerned active substance, if not previously approved in Denmark, or first application after re-evaluation of the active substance

*Note 2:* Ved ansøgning om det første plantebeskyttelsesmiddel med det pågældende aktivstof, hvis det ikke er godkendt i Danmark, eller ved første ansøgning efter at aktivstoffet er blevet revurderet i EU.

**Fee F:** Additional fee for assessment of co-formulants in plant protection products

**Gebyr F:** Tillægsgebyr for vurdering af hjælpestoffer i plantebeskyttelsesmidler

*Note 3:* For applications with alternative co-formulants the fee is *doubled*

*Note 3:* Ved ansøgninger om alternative hjælpestoffer *fordobles* gebyret

*Note 4:* New approved change entails the approval of a new label. A separate fee is charged for the approval of the new label (Fee No. 9232)

*Note 4:* Hvis godkendelsen af en ændring bevirker, at der skal godkendes en ny etiket, opkræves særskilt gebyr for etiketgodkendelsen (gebyr nr. 9232).

**Additional fees for changes during assessment**  
**Tillægsgebyrerne for ændringer under sagsbehandlingen opkræves således**

**Additional fee for EPA amendment of on-going application.** Applicable when there is a need for a new assessment (e.g. addition of crop, change of dose or time for application)

**Gebyret for Miljøstyrelsens vurdering** omfatter nye vurderinger, for eksempel ved ændring af afgrøde, ændring af dosis eller ændring af tidspunkt for udbringning.

**FVST/DTU: Additional fee for assessment of residue levels/MRL of plant protection products.** Applicable for plant protection products used on edible crops or fodder.

**Gebyret for Fødevarestyrelsens vurdering** omfatter ændringer, der indebærer ny vurdering af restkoncentrationer i spiselige afgrøder og foder.

**AGRO: Additional fee for assessment of efficacy, phytotoxicity and selectivity.** Applicable for all applications

**Gebyret til Aarhus Universitet, Institut for Agroøkologi** omfatter ændringer, der kræver fornyet vurdering af effektivitet, phytotoksicitet og selektivitet.
