I. Godkendelse af aktivstoffer, jf. § 53, stk. 2, i bekæmpelsesmiddelbekendtgørelsen Behandling af en anmeldelse efter plantebeskyttelsesmiddelforordningen eller kommisjonsforordning (EU) Nr. 1141/2010 af et aktivstof til vurdering med henblik på optagelse på listen over godkendte aktivstoffer til plantebeskyttelsesmiddelforordningen.	De faktiske udgifter pr. anvendte timer og eventuelle udgifter til faglig bistand eller materiale, der skal anvendes i forbindelse med vurderingen.
I. Approval of active substance, cf. Section 53, subsection 2 of the Statutory Order on Pesticides Processing of a notification according to Plant Protection Regulation or Commission Regulation (EU) No. 1141/2010 of an active substance for evaluation with a view to inclusion on the list of approved active substances for Plant Protection Regulation.	
Processing of application for equivalence assessment of active substances Behandling af ansøgning om ækvivalensvurdering af aktivstoffer	De faktiske udgifter pr. anvendte timer og eventuelle udgifter til faglig bistand eller materiale, der skal anvendes i forbindelse med vurderingen.

Additional fees
Opkrævning af tillægsgebyrer

Fee A: Additional fee for assessment of residue levels/MRL of active substances in plant protection products. Applicable for plant protection products used on edible crops or fodder. Fee per active substance (FVST/DTU)

Gebry A: Tillægsgebry for vurdering af restkoncentrationer i fødevarer og foder udført af Fødevarestyrelsen/DTU. Gebyret opkræves for vurdering af restkoncentrationer (MRL) af aktivstoffet i plantebeskyttelsesmidler, der bruges på spiselige afgrøder og foder. Gebry for hvert aktivstof

Note 1: If FVST finds no need to evaluate residues, or if the application is rejected during validation, a fee of only DKK 3.200 will be charged.

Note 1: Hvis FVST konstaterer, at der ikke skal vurderes restkoncentrationer, eller hvis ansøgningen afvises ved valideringen, nedsættes gebyret til 3.200 kr.

Fee B: Additional fee for assessment of efficacy, phytotoxicity and selectivity. Applicable for all applications for product authorisation (AGRO)

Gebry B: Tillægsgebry for vurdering af plantebeskyttelsesmidlets effektivitet, phytotoksisitet og selektivitet, udført af Aarhus Universitet, Institut for Agroøkologi (AGRO).

Fee C: Additional fee for assessment of a new active substance or microorganism in Denmark or renewal of an active substance or microorganism. Applicable for all plant protection products containing a new active substance or an active substance to be renewed. Fee per active substance in the product.

Gebry C: Tillægsgebry for første vurdering af nyt aktivstof (eller ny mikroorganisme) eller første fornyelse af et aktivstof i Danmark. Gebry for hvert aktivstof.

Note 2: For application of the first plant protection product with the concerned active substance, if not previously approved in Denmark, or first application after re-evaluation of the active substance

Note 2: Ved ansøgning om det første plantebeskyttelsesmiddel med det pågældende aktivstof, hvis det ikke er godkendt i Danmark, eller ved første ansøgning efter at aktivstoffet er blevet revurderet i EU.

Fee F: Additional fee for assessment of co-formulants in plant protection products

Gebry F: Tillægsgebry for vurdering af hjælpestoffer i plantebeskyttelsesmidler

Note 3: The base fee covers the assessment of up to 5 co-formulants (including alternative co-formulants). For applications containing more than 5 co-formulants (including alternative co-formulants), additional fees will be charged based on the total number co-formulants

Note 3: Grundgebyret omfatter vurdering af op til 5 hjælpestoffer (inklusive alternative hjælpestoffer). For ansøgninger, der indeholder mere end 5 hjælpestoffer (inklusive alternative hjælpestoffer), opkræves yderligere F gebry(er), afhængigt af det samlede antal hjælpestoffer

Note 4: New approved change entails the approval of a new label. A separate fee is charged for the approval of the new label (Fee No. 9232)

Note 4: Hvis godkendelsen af en ændring bevirker, at der skal godkendes en ny etiket, opkræves særskilt gebry for etiketgodkendelsen (gebry nr. 9232).

Additional fees for changes during assessment
