Additional fees
Opkrævning af tillægsgebyrer

Fee A: Additional fee for assessment of residue levels/MRL of active substances in plant protection products. Applicable for plant protection products used on edible crops or fodder. Fee per active substance (FVST/DTU)

Gebyr A: Tillægsgebyr for vurdering af restkoncentrationer i fødevarer og foder udført af Fødevarestyrelsen/DTU. Gebyret opkræves for vurdering af restkoncentrationer (MRL) af aktivstoffet i plantebeskyttelsesmidler, der bruges på spiselige afgrøder og foder. Gebyr for hvert aktivstof

Note 1: If FVST finds no need to evaluate residues, or if the application is rejected during validation, a fee of only DKK 3.200 will be charged.

Note 1: Hvis FVST konstaterer, at der ikke skal vurderes restkoncentrationer, eller hvis ansøgningen afvises ved valideringen, nedsættes gebyret til 3.200 kr.

Fee B: Additional fee for assessment of efficacy, phytotoxicity and selectivity. Applicable for all applications for product authorisation (AGRO)

Gebyr B: Tillægsgebyr for vurdering af plantebeskyttelsesmidlets effektivitet, phytotoksisitet og selektivitet, udført af Aarhus Universitet, Institut for Agroøkologi (AGRO).

Fee C: Additional fee for assessment of a new active substance or microorganism in Denmark or renewal of an active substance or microorganism. Applicable for all plant protection products containing a new active substance or an active substance to be renewed. Fee per active substance in the product.

Gebyr C: Tillægsgebyr for første vurdering af nyt aktivstof (eller ny mikroorganisme) eller første fornyelse af et aktivstof i Danmark. Gebyr for hvert aktivstof.

Note 2: For application of the first plant protection product with the concerned active substance, if not previously approved in Denmark, or first application after re-evaluation of the active substance

Note 2: Ved ansøgning om det første plantebeskyttelsesmiddel med det pågældende aktivstof, hvis det ikke er godkendt i Danmark, eller ved første ansøgning efter at aktivstoffet er blevet revurderet i EU.

Fee F: Additional fee for assessment of co-formulants in plant protection products

Gebyr F: Tillægsgebyr for vurdering af hjælpestoffer i plantebeskyttelsesmidler

Note 3: The base fee covers the assessment of up to 5 co-formulants (including alternative co-formulants). For applications containing more than 5 co-formulants (including alternative co-formulants), additional fees will be charged based on the total number co-formulants

Note 3: Grundgebyret omfatter vurdering af op til 5 hjælpestoffer (inklusive alternative hjælpestoffer). For ansøgninger, der indeholder mere end 5 hjælpestoffer (inklusive alternative hjælpestoffer), opkræves yderligere F gebyr(er), afhængigt af det samlede antal hjælpestoffer

Note 4: New approved change entails the approval of a new label. A separate fee is charged for the approval of the new label (Fee No. 9232)

Note 4: Hvis godkendelsen af en ændring bevirker, at der skal godkendes en ny etiket, opkræves særskilt gebyr for etiketgodkendelsen (gebyr nr. 9232).

Additional fees for changes during assessment
